

PRIVACY POLICY

North Perth Drycleaners is committed to safeguarding your privacy online.

North Perth Drycleaners does not collect personally identifiable information about individuals except when such individuals specifically provide such information on a voluntary basis.

Personally identifiable information on customers will not be sold or otherwise transferred to unaffiliated third parties without the approval of the customer. At such points of collection, the customer will have the opportunity to indicate whether he or she would like to "opt out" of receiving promotional and/or marketing information about other products, services and offerings and/or any third parties.

We do not disclose any of your personal information to anyone unless you have specifically asked for it.

We work with an online payment gateway provider and fraud detection provider to enable secure credit card transactions.

We may be required by law to disclose information you provide us. We may also disclose information against someone who poses a threat to our interests (such as customer fraud) or whose activities could cause harm to others.

How We Protect Your Information

To ensure the confidentiality of your personal information, we use security technology and procedures that are regularly reviewed and updated.

Our systems are configured with industry standard data encryption and firewall technology. When you send credit card details and other sensitive information to us over the Internet, your data is protected by Secure Socket Layer (SSL) technology to ensure safe transmission.
